WHEREAS, the increase in the cost of living has generally outpaced the increase in the remuneration being received by the regular employees of the Quezon City Government, and that while legislation has sought to correct this state-of-affairs, some areas have yet to be addressed;

WHEREAS, the medical benefits of regular employees of the Quezon City Government under the Medicare program are primarily intended for conditions requiring hospitalization or operation, and are supplemented up to a limited extent;

WHEREAS, the benefits enjoyed by employees are further supplemented by the City Health Department, but which has been able to help only as much as available resources enable them, and that when such resources are unable to meet requests for basic medication and treatment, employees are left to their own devices;

WHEREAS, government should seek to increase the options of employees as regards the treatment entailed by their prevailing health conditions;

WHEREAS, the Sangguniang Panlungsod, under Section 458 (1,viii) of Republic Act No. 7160, is authorized to determine the positions and salaries, wages, allowances and other emoluments and benefits of officials and employees paid fully or mainly from City funds;
