ORDINANCE NO. SP- **1429**, S-2004

AN ORDINANCE CREATING THE QUEZON CITY BUSINESS REGISTRY DATABANK AND PROVIDING INCENTIVES AND BENEFITS THEREFOR, AND FOR OTHER PURPOSE.

Introduced by Councilors ANTONIO E. INTON JR.,  
RESTITUTO B. MALAÑGEN, RICARDO R.  
DEL ROSARIO, DANTE M. DE GUZMAN,  
ROMMEL R. ABESAMIS, RAMON P.  
MEDALLA and ERIC Z. MEDINA.

WHEREAS, one of the priorities of the City government is the attainment of full economic development of the city. The establishment of a favorable and conducive promotion and development of the business environment is necessary for the City government to continuously improve its delivery of basic service to the people;

WHEREAS, the indispensable role of the private sector is necessary to achieve the goals of the City government as provided for in Chapter IV, Section 35 of the Local Government Code;

WHEREAS, effective communication between the Quezon City government and the business community is essential in order to foster and encourage a free flow of data, information and ideas as well as provide a channel by which policy and projects of the City government may be more efficiently disseminated;

WHEREAS, the City government needs to rationalize and improve its business information registry, business zoning and database; and in order to do so, there is a need to establish a BUSINESS REGISTRY DATABANK which will serve as a repository of all relevant economic and business information of all enterprises operating in the city;
