SECTION 2. Requirements. - An owner shall be required to:

Any untagged dog shall be impounded and its owner shall be required to register the same, pursuant to the provisions of this Ordinance before it can be returned to its owner/keeper/claimant.

Any dog, whether tagged or untagged, which remains unclaimed for three (3) days after capture or impoundment, shall be disposed off by using the most humane methods, such as intravenous chemicals and firearms, approved by pertinent governmental regulations; provided that the three (3) day period for tagged dogs shall begin from the time notice of the dog's impoundment has been received by the registered owner or a responsible member of his/her household.
