WHEREAS, population growth and migration to Quezon City has resulted to crowded classrooms in most of the public schools, which accommodate both resident and non-resident children residing near the city;

WHEREAS, compelling studies reveal that classroom population and school environment have strong influence over the child's learning outcome;

WHEREAS, overcrowded classrooms hinder the learning potential of the students, not to mention the potential hazard and difficulty in case of evacuation during emergencies;

WHEREAS, to address the issue of crowded classrooms, Item No. 3.g of the Department of Education (DepEd) Order No. 41, S. 2012, or the Revised Guidelines on the Opening of Classes was promulgated which states that "The class size shall range from a minimum of 15 pupils/students to a maximum of 60 pupils/students per class for Grade 5 to high school. Whenever possible, classes in Grades 1 to 4 shall not exceed 40 pupils per class in order to keep the teaching-learning process more manageable during these foundation years of schooling";

WHEREAS, Item No. 3.h and i of the same DepEd Order states:

"h. The specific provision of DepEd Order No.32 S. 2003 which gives priority preference for admission to new entrants who are residents of the locality where the school is located subject to the average and maximum class size stated in Item 3.g, is maintained. However, excess entrants (new or old), who are residents of the locality where the school is located shall be admitted, subject to the provisions of the succeeding paragraph;

i. In school where there are oversized classes, school heads/principals shall utilize alternative delivery modes such as the Modified In-School Off-School Approach (MISOSA), Instructional Management by Parents, Community and Teachers (E-Impact), Drop-out Reduction Program (DORP) print modules, e-modules, and Computer-Assisted Instruction (CAI) among others;"

WHEREAS, in the same vein, DECS Order No. 107, S. 1989 prescribed the ideal class size for Kindergarten Level that is "25-30 children per teacher. Class size may be increased to 30-40 pupils per teacher. If there is a teacher aide";

WHEREAS, it is now incumbent upon the City Government to closely manage the ratio of students to classrooms in order to pursue a conducive learning and teaching environment, as well as to give admission preference to children residing within the city in our public elementary and secondary school.

NOW, THEREFORE

BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:

SECTION 1. DECLARATION OF POLICY – It is the policy of the Quezon City Government to foster a school environment that is safe and conducive to effective teaching and learning, adhering to Building and Fire Safety Codes and the prescribed learning environment by the Department of Education.

SECTION 2. DEFINITION OF TERMS – For the purpose of this Ordinance, the following terms shall mean:

[Handwritten signatures and initials]

- a) *Alternative Delivery Mode* – shall refer to the nontraditional education program recognized by the Department of Education (DepEd), which applies a flexible learning philosophy and a curricular delivery program that includes non-formal and informal sources of knowledge and skills. It may include the use of facilitator-aided and interactive self-instructional print and audio-based learning materials, video tapes, face-to-face structured learning groups, semi-structured and unstructured discussions, one-on-one tutorials, study groups and self-learning groups, demonstration sessions, home visits, mentoring and remediation.
- b) *Classrooms* – shall mean those exclusively used for instructional purposes and shall exclude offices, libraries, laboratories, workshops and the like.

SECTION 3. STUDENT/PUPIL-CLASSROOM RATIO– All Quezon City Public Elementary and Secondary schools shall strictly implement the student-classroom ratio prescribed in DepEd Order No. 41, S. 2012, DepEd Order No. 32, S. 2003, and DECS Order No. 107, S.1989.

- a. *Kindergarten Level*: 25 – 30 children per teacher, 30-40 pupils per teacher if there is a teacher aide.
- b. *Grades 1 to 4 Levels*: Minimum of 15 pupils to a maximum of 40 pupils per class.
- c. *Grades 5 to High School Level*: Minimum of 15 pupils/students to a maximum of 60 pupils/students per class.
- d. *Grade 11 and 12 (Senior High School)*: This Ordinance shall conform to DepEd's prescribed student –classroom ratio.

SECTION 4. ADMISSION TO PUBLIC ELEMENTARY AND SECONDARY SCHOOLS - In the implementation of this Ordinance, the City shall give priority preference for admission to new entrants who are residents of the locality where the school is located. Non-Quezon City residents shall only be admitted, provided that there are available accommodation for them.

SECTION 5. EXEMPTION - Non-Quezon City residents who are currently enrolled in any Quezon City public elementary or secondary school prior to the approval of this Ordinance shall be exempted from priority preference stated in the preceding provision.

SECTION 6. PROVISION FOR ALTERNATIVE DELIVERY MODES -

- (a) The Division of City Schools in coordination with the principals, faculty, parents, community, and local government shall employ alternative delivery modes to compensate for the classroom shortage.
- (b) The following alternative delivery modes may be conducted to elementary and secondary students of Quezon City:

Elementary Level:

- A. *Modified In-School, Off-school Approach (MISOSA);*
- i. *Use of Self-Instructional Materials (SIMs)*
- that contain the lessons to be learned for the day;
 - include learning objectives;
 - activities to work on;
 - exercises and questions to answer; and
 - enrichment activities utilizing the community resources.
- ii. *Utilization of community school*
- as a laboratory for learning aside from the classroom (i.e. half of the class stays with the teacher while the other half stays with the teacher-facilitator in the community school).
- Q N B ~~_____~~ D

B. Enhanced Instructional Management by Parents, Community and Teachers (e-IMPACT) System

- *A technology-enhanced alternative delivery mode;*
- *Use of audio tapes in English, Science, Mathematics and Filipino;*
- *Use of Information and Communications Technology (ICT) in teaching the lessons;*
- *Developed to address high student population and high percentage of dropouts;*
- *Management system where the parents, teachers and community collaborate to provide the child with quality education at less costs;*
- *Learning Materials are based on the national curriculum standards of DepED;*
- *Education in the e-IMPACT system encourages and develops in the children the skill to learn independently and eventually become self-and lifelong learners;*
- *IMPACT also encourages peer learning and peer mentoring as important strategies for empowering learners as active partners in the instructional process.*

C. Home Schooling Program

Secondary Level:

Open High School Program (OHSP) is an alternative delivery mode in formal education where students complete high school outside the formal school structure. The students are given modules or printed learning materials to work on and do not need to report to class regularly. The learner and the teacher only have scheduled meetings, which have been pre-arranged on a certain day(s) in a week.
