WHEREAS, one of the most important 'best practices' that has been incorporated into the National Incident Command System (NIMS) is the Incident Command System (ICS), a standard, on-scene, all-hazards incident management system already in use by firefighters, hazardous materials teams, rescuers and emergency medical teams. The ICS has been established by the NIMS as the standardized incident organizational structure for the management of all incidents;

WHEREAS, the National Disaster Risk Reduction And Management Council (NDRRMC) issued Memorandum Circular No. 4, S-2012, an implementing guidelines on the use of Incident Command System (ICS) as an On-Scene Disaster Response and Management Mechanism under the Philippine Disaster Risk Reduction and Management System (PDDRMS);

[Handwritten signatures and initials]

WHEREAS, the Department of the Interior and Local Government (DILG) issued Memorandum Circular No. 2015-76 to all Provincial Governors, City Mayors, Municipal Mayors, Punong Barangays, Regional Governors of ARMM, DILG-ARMM Regional Secretary, DILG Regional Directors and all others concerned to establish the Incident Command System (ICS) as an on-scene response management mechanism which is to be activated in response to disasters or emergencies;

WHEREAS, the Incident Command System (ICS) is a management system designed to enable effective and efficient domestic incident management by integrating a combination of facilities, equipment, personnel, procedures, and communications operating within a common organizational structure;

WHEREAS, it is a fundamental form of management with the purpose of enabling incident managers to identify the key concerns associated with the incident—often under urgent conditions—without sacrificing attention to any component of the command system;

WHEREAS, institutionalizing the Incident Command System (ICS) means that the city officials, incident managers and emergency organizations at all jurisdictional level shall adopt the Incident Command System (ICS) that will appropriately delegate to the Unified Commanders the authority to manage the incident.

NOW, THEREFORE,

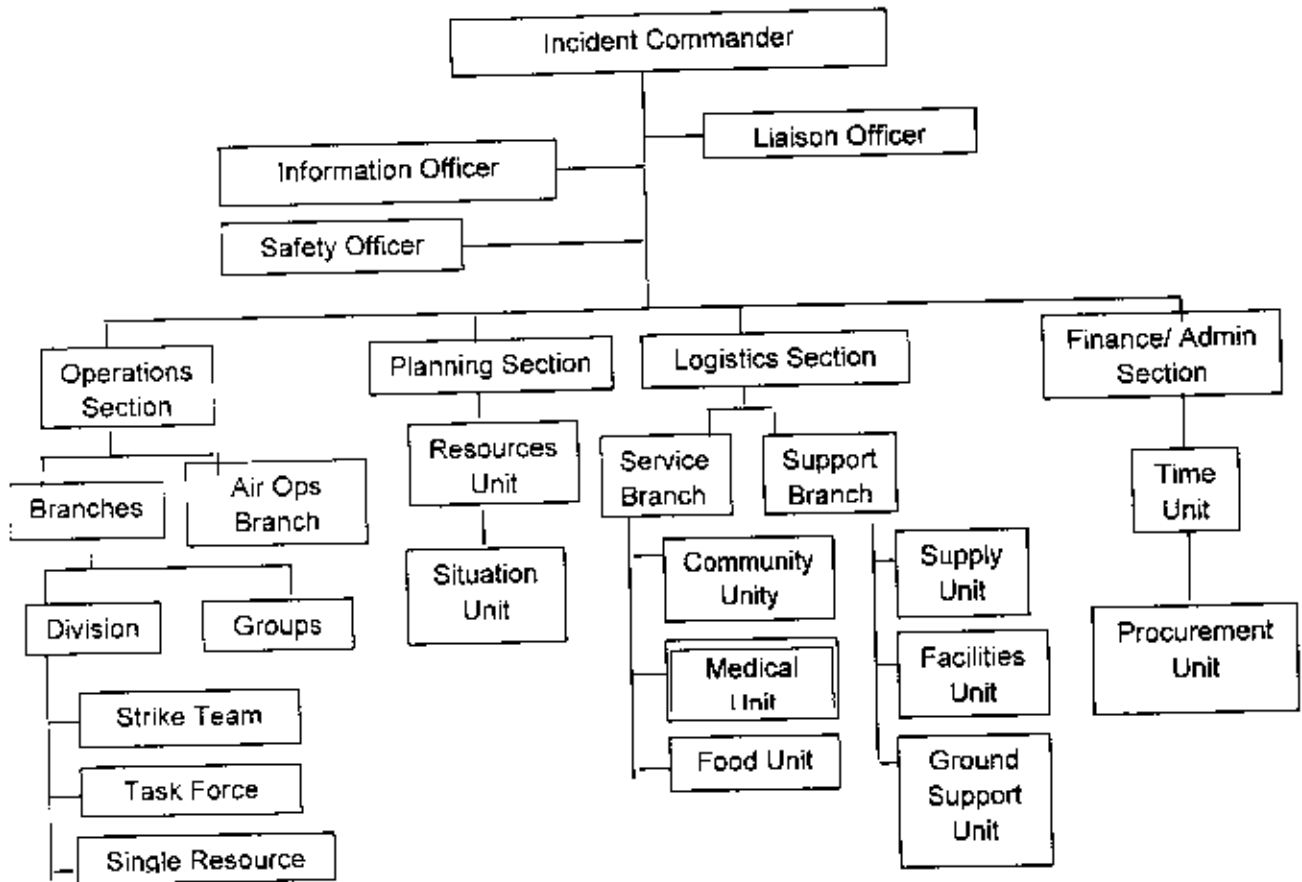

BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:

SECTION 1. SHORT TITLE - This Ordinance shall be known as the "Incident Command System (ICS) of Quezon City".

SECTION 2.
