WHEREAS, it is the policy of the State to strengthen manpower education and training in the country so that the latter may be assured of an ever growing supply of an educated and skilled manpower equipped with appropriate skills and desirable work habits and attitudes;

WHEREAS, Article 43, Chapter 1, Title 1, Book II of the Labor Code states that it is the objective of the State to develop human resources, establish training institutions, and formulate such plans and programs as well ensure efficient allocation, development and utilization of the nation's manpower and thereby promote employment and accelerate economic and social growth;

WHEREAS, "Dual Training System" refers to an instructional delivery system of technical and vocational education and training that combines in-plant training and in-school training based on a training plan collaboratively designed and implemented by an accredited dual system educational institution/training center and accredited dual system agricultural, industrial, and business establishments with prior notice and advise to the local government unit concerned;

WHEREAS, the Dual Training System as successfully tested in some highly developed countries, has been adopted in duly accredited vocational and technical schools, in cooperation with accredited agricultural, industrial, and business establishments, as one of the preferred means of creating a dependable pool of well-trained operators, craftsmen, and technicians for the economy;

WHEREAS, Republic Act No. 10533 or the Enhanced Basic Education Act covers Kindergarten and 12 years of basic education; six years of primary education, four years of Junior High School, and two years of Senior High School – to provide sufficient time for mastery of concepts and skills, develop lifelong learners, and prepare graduates for tertiary education, middle-level skills development, employment, and entrepreneurship;

WHEREAS, under DepEd's Senior High School curriculum, for specific projects, students will be required to render work immersion/apprenticeship to provide them relevant exposure and actual experience in their chosen track;

WHEREAS, with the onset of more than 40,000 Grade 11 students in 2016, it is essential for the City to aid schools in identifying and coordinating partnerships with private establishments for the implementation of the Dual Training System in consonance with the guidelines set by the Technical Education and Skills Development Authority (TESDA).

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED, to urge, as it does hereby urge the City Government in coordination with the Quezon City Division of City Schools and the Technical Education and Skills Development Authority (TESDA), to enter into negotiations with private establishments in implementing Republic Act No. 7686, otherwise known as the "Dual Training System Act of 1994." ✓
