WHEREAS, the safeguarding of the health of the community and its inhabitants through environmental sanitation and hygienic way of living is the primary concern of the Quezon City Government;

WHEREAS, the propriety and decency of serving right, correct, fitting and proper behaviour or personal habit should be observed by all concerned in order to bring about a healthier and happier people in Quezon City;

WHEREAS, the abominable and reprehensible bad habits of indiscriminate public relieving of personal discomforts, such as urinating, defecating publicly and disposal of waste and garbage in public places such as streets, assembly halls, plazas, parks, sidewalks, walls and posts are admittedly improper and uncalled for in any civilized society, such acts being unsanitary, unhealthy and impose a threat to the spread of sickness and disease;

WHEREAS, as in the exercise of its police power to protect the well-being of the citizenry the time has come when the City Government of Quezon City should stop ignoring and taking for granted such acts of urinating, defecating and littering in order that the City environment can be restored to an area of cleanliness, beautification and safety;
