*WHEREAS, Ordinance No. SP-1444, S-2004, otherwise known as the Traffic Management Code of Quezon City, provides for the Traffic Rules and Regulations on all roads in Quezon City as well as the Schedule of Fines/Penalties;*

*WHEREAS, the Land Transportation Office (LTO) issued Department Order No. 2008-39 containing the revised schedule of LTO fines and penalties for traffic and administrative violations covering the violations enumerated in Appendix VI of the Traffic Management Code of Quezon City;*

*WHEREAS, there is a need to reduce the fines and penalties under Appendix VI of the Traffic Management Code of Quezon City to lessen the burden on drivers and operators;*

*WHEREAS, although the City Government can impose fines and penalties separate from those imposed by the Land Transportation Office, the increase in the penalties by virtue of the Department Order will greatly affect the drivers and operators of motor vehicle;*

*WHEREAS, there is a general principle that penalties should be commensurate to the violations committed and the purpose of imposing fines is to prevent repetition of similar defiance but not to extract fees that would affect the source of income earned by our drivers and operators;*

*WHEREAS, the City Council is an authorized body to amend ordinance previously approved and being implemented when the need arises.*

**NOW, THEREFORE,**

**BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:**

**SECTION 1. Appendix VI, Schedule of Fines and Penalties, is amended as follows:**
