WHEREAS, in 2005, the Quezon City Council passed City Ordinance No. SP-1479, S-2005, entitled "An Ordinance declaring a Moratorium in the Franchise of Public Utility Tricycles in Quezon City and for other purposes". The passage of the said moratorium was due to the proliferation of tricycles in practically all streets and roads of Quezon City, encroaching even the main thoroughfares, congesting the road network, and complicating further the already complex traffic situation of the city;

9

WHEREAS, after the passage of the aforementioned moratorium ordinance, there are some tricycle associations, such as the herein applicants, that are left with pending applications for franchise before the Tricycle Franchising Board (TFB). Yet, they are still existing and operating for the main reason that their existence and operation are very much necessary in their respective areas, otherwise, transportation would be paralyzed;

WHEREAS, Section 3 of Ordinance No. SP-1479, S-2005, otherwise known as the Moratorium Ordinance, states that “the Committee on Transportation of the City Council shall conduct a study on the present state of operation of public utility tricycles in the City in aid of legislation with the end in view of coming up with an ordinance that will rationalize the authorization and deployment of tricycles in the roads, streets and thoroughfares in Quezon City”;

WHEREAS, Section 4 of the Moratorium Ordinance further states that “the City Planning and Development Department (CPDD), in coordination with the Committee on Transportation, shall likewise conduct a study on the operation of tricycles and other transportation modes, the City’s transport corridors and road networks, traffic demands and projections and other relevant economic and transport matters, in view of coming up with a comprehensive transportation/traffic plan for Quezon City”;

WHEREAS, in 2014, the Quezon City Council enacted City Ordinance No. SP-2337, S-2014, otherwise known as the Quezon City Tricycle Management Code of 2014, recognizing the integral role of tricycles in the public transport system of the city and the Metropolis as a whole. The franchising and operation of tricycles shall be controlled and regulated with the end in view of effectively managing these vehicles for basic services;

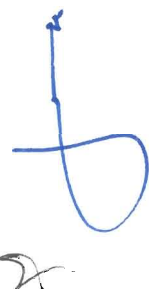

WHEREAS, under this Code, in order to address the proliferation of colorum or illegal units, the city government implemented a “One-Strike Policy” against apprehended colorum tricycles;

WHEREAS, Republic Act No. 7160, otherwise known as the Local Government Code of 1991, devolved certain functions of the Department of Transportation and Communications (DOTC) to the LGUs. Thus, Section 458. Powers, Duties, Functions and Compensation, states that:

“(3) Subject to the provisions of Book II of this Code, enact ordinances granting franchises and authorizing the issuance of permits or licenses, upon such conditions and for such purposes intended to promote the general welfare of the inhabitants of the city and pursuant to this legislative authority shall:

*(VI) Subject to the guidelines prescribed by the Department of Transportation and Communications, regulate the operation of tricycles and grant franchises for the operation thereof within the territorial jurisdiction of the city.”*

*WHEREAS, pursuant to the mandates provided for by the Moratorium Ordinance, the City Planning and Development Department (CPDD) and the Committee on Transportation of the Quezon City Council conducted a tricycle study using an on-board passenger origin-destination (O-D) and tricycle mapping survey using an on-board data collection device equipped with sensor and Global Positioning System (GPS) capable of recording passenger boarding and alighting times and locations;*

*WHEREAS, on February 18, 2019, then City Planning and Development Office (CPDO) submitted the final report of the Tricycle Route Measured Capacity (RMC) Study for Unserved Routes in Quezon City;*

*WHEREAS, it is the primordial concern of the Quezon City Government to update the existing Routes/Zones of tricycles in Quezon City and uphold the livelihood of the tricycle sector by granting herein tricycle associations legitimate franchise;*

*WHEREAS, that upon perusal for accreditation reveals that Litex Commonwealth Tricycle Operators and Drivers Association, Inc. (LCTODA) is registered with the Securities and Exchange Commission (SEC) and is a Civil Society Organization accredited by the Quezon City Council and the Barangay and Community Relations Department (BCRD);*

*WHEREAS, the Sangguniang Barangay of Commonwealth favorably endorsed to the Tricycle Franchising Board (TFB) the accreditation of one hundred fifty-seven (157) units of the Litex Commonwealth TODA for the granting of regular franchise and the Lakas ng Lower Hasmin Homeowners Association, Inc. Phase 1-B, Nagkaisa Homeowner’s Association, Prince Nikki School, Inc., Cabasaran Mosque and Alfaroc Mosque officers and members/homeowners and the riding public as a whole through tricycles, expressed their support on the application for the issuance of franchises through a resolution/certification;*
