WHEREAS, City Ordinance No. NC-124, S-89, as amended, which was introduced by Hon. Alberto M. WHEREAS, besides the need to cover the production cost of the business permit registration plate, there is a need to adjust the rate provided in Ordinance NC-124, S-89, as amended, in order to cover the expenses the city shall incur for the proper inspection and regulation of all business establishments existing within the territorial jurisdiction of Quezon City;

WHEREAS, so much time had lapsed from the period of its first implementation, that some establishments operating then and were issued Business Permit Registration Plates are now inoperative, have changed their classification or transferred elsewhere, and the plates that were issued unto them have fallen into unscrupulous hands and are being utilized to evade and deceive license inspectors thereby allowing the illegal operation of their businesses and defrauding the City government of due revenues;

NOW, THEREFORE,
