WHEREAS, from December 2010 to March 2011, the price of gasoline has increased by six pesos and seventy five centavos (P6.75). This overwhelming increase in the price of the same has once again imposed additional burden to the financial woes of the public utility vehicle operators;

WHEREAS, as the price of gasoline rose, the fare charged by several public utility vehicles namely taxis, public utility jeepneys and public utility buses has likewise increased to cope with the necessary expenses for the same and maintain a viable source of income;

[Handwritten signatures and initials]

WHEREAS, the tricycle fare increase is therefore necessary to allow the more or less twenty four thousand (24,000) tricycle operators to adapt to the ever changing tide of the very unpredictable rise and fall of the price of gasoline.

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:
