WHEREAS, pursuant to the declaration of policy under Article 3, Rule 1 of Rules and Regulations Implementing the Comprehensive Anti-Drug Abuse and Rehabilitation Program under Ordinance No. SP-1264, Series of 2003, it is the policy of the City Government to promote and protect the welfare and well-being of the residents of the City against the deleterious effects of dangerous drugs; ✕

(Handwritten marks: a large 'A' and three scribbles)

WHEREAS, consistent with the said policy, the Quezon City Government is also mandated to prepare plans and programs to deter the use of dangerous drugs by the officers and employees in the offices of Local Government and the offices of 142 Barangays of Quezon City and institute preventive measures against drug abuse for purposes of eliminating its hazards in the workplace; and to provide an effective and professionalized system of implementing the program against drug abuse that would safeguard the honor, dignity and integrity of the Local Government of Quezon City and effectiveness and efficiency of their officials and employees.

WHEREAS, pursuant to the powers vested in it under Section 77, Article IX of Republic Act No. 9165, otherwise known as the Comprehensive Dangerous Drugs Act of 2002, in relation to Section 16, Article II and Section 48, Article V of the same Act, the Dangerous Drugs Board (DDB), prescribes the guidelines for the formulation and implementation of a drug-free workplace program and the conduct of authorized drug testing for offices, bureaus and agencies of the national and local governments, government owned and controlled corporations and other institutes of learning including state colleges and universities.

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:

Article I
GENERAL PRINCIPLES AND POLICIES

Section 1. Title - This Ordinance shall be known as the Quezon City Drug-Free Work Place Ordinance of 2015. ✓

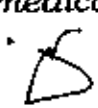

Section 2. Declaration of Policy - The Quezon City Government recognizes the threat posed by drug abuse in the community and its specific effects in the workplace including, among others, decreased productivity, increased accidents, absenteeism, lapses in the performance of assigned task, criminality, and the like and thereby declares the policy of the City to absolutely prohibit the use of dangerous drugs in and outside the office by all officials and employees of the Quezon City Government including its 142 Barangays.

Section 3. Purpose, Scope and Coverage - The primary purpose of this Ordinance is to ensure the maintenance of a safe and healthy work environment free from use of dangerous drugs, and free from other related activities as proscribed by Republic Act No. 9165, otherwise known as the Dangerous Drugs Act of 2002.

This Ordinance shall apply to all officials and employees in the offices of the Quezon City Government and its 142 Barangays without distinction as to rank, employment status or salaries and shall cover all stages of employment.

Section 4. Definition of Terms - As used in this Ordinance the following terms shall be defined as follows:

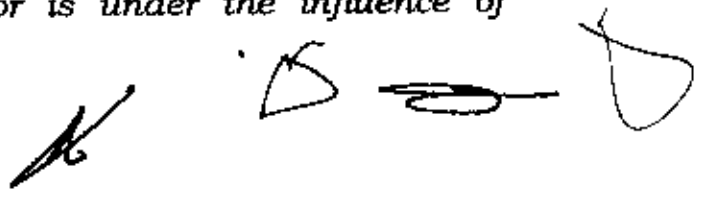

- a. Administer - Any act of introducing any dangerous drugs into the body of any person, with or without his/her knowledge, by injection, inhalation, ingestion or other means or of committing any act of indispensable assistance to a person in administering a dangerous drug to himself/herself unless administered by a duly licensed practitioner for purposes of medication; X*

- b. *Authorized Drug Test* - The testing done by any government forensic laboratories or by any of the drug testing laboratories accredited and monitored by the DOH to safeguard the quality of test results. It shall employ, among others, two (2) testing methods, the screening and confirmatory tests. The examination of a person's urine specimen to determine the presence of dangerous drugs shall be done by any government forensic laboratories or by any of the drug testing laboratories accredited and monitored by the DOH;
- c. *Center* - Any of the treatment and rehabilitation centers which undertake treatment, aftercare and follow-up treatment of drug dependents. It includes institutions, agencies and the like whose purposes are: the development of skills, arts and technical know-how, counseling and/or inculcating civic, social and moral values to drug dependent patients, with the aim of weaning them away from dangerous drugs and keeping them drug-free, adapted to their families and peers and readjusted into the community as law abiding, useful and productive citizens;
- d. *Confirmatory Drug Test* - An analytical test using a device, tool or equipment with a different chemical or physical principle that is more specific which will validate and confirm the result of the screening test. It refers to the second or further analytical procedure to more accurately determine the presence of dangerous drugs in a specimen, which shall likewise be done by any government laboratory or by privately-owned and operated drug testing laboratories accredited and monitored by the DOH having confirmatory test capabilities; y

[Handwritten signatures and initials]

- e. *Dangerous Drugs* - Include those listed in the Schedules annexed to the 1991 Single Convention on Narcotic Drugs, as amended by the 1972 Protocol and in the Schedules annexed to the 1971 Single Convention on Psychotropic Substances as enumerated in the attached annex, which was an integral part of R.A. No. 9165;
- f. *Drug Dependence* - Refers to a cluster of physiological, behavioral and cognitive phenomena of variable intensity, in which the use of psychoactive drug takes on a high priority thereby involving, among others, a strong desire or a sense of compulsion to take the substance and the difficulties in controlling substance-taking behavior in terms of its onset, termination, or level of use;
- g. *Drug Test Certificate* - A declaration/statement of the result of the drug test issued by accredited drug testing centers. It shall be valid for a one-year period from the date of issue and which may be used for other purposes, as referred to in Section 36, Article III of R.A. No. 9165;
- h. *Employee Assistance Program or EAP* - A program that offers assistance to workers who have problems, primarily alcohol and drug related problems, that may affect job performance. It shall be formulated as much as possible, jointly by the employer and the employees or employees' union;
- i. *"For Cause" or "Probable Cause" Drug Test* - Drug testing required when there is a "probable cause" or "reasonable ground" to believe that a person is using or is under the influence of dangerous drugs; χ

Handwritten signatures and initials, including a large 'N' and a signature that appears to be 'S. S.' followed by a flourish.

- j. *Mandatory Drug Test - Compulsory submission of an employee for drug testing as required by Republic Act No. 9165 and by this Ordinance;*
- k. *Policy - a definite course or method of action from among alternatives and in the light of given conditions to guide and usually determine decisions to be made;*
- l. *Republic Act No. 9165 - Refers to the Comprehensive Dangerous Drugs Act of 2002;*
- m. *Random Drug Test - To subject personnel for drug testing as selected following no specific pattern and without prior notice/information;*
- n. *Rehabilitation - A dynamic process including aftercare and follow-up treatment directed towards the physical, emotional/psychological, vocational, social and spiritual change of a drug dependent to enable him/her to live without dangerous drugs, enjoy the fullest life compatible with his capabilities and potentials and render him/her able to become a law abiding and productive member of the community;*
- o. *Screening Drug Test - A rapid drug test performed to establish potential or presumptive positive result. It refers to the immunoassay test to eliminate a "negative" specimen, i.e. one without the presence of dangerous drugs, from further consideration and to identify the presumptively positive specimen that requires confirmatory test;*
- p. *Treatment - Medical service rendered to a patient for the effective management of physical and mental conditions arising from his/her drug use; /*
