RESOLUTION NO. SP-1521 -S-2001

A RESOLUTION URGING THE MAYNILAD WATER SYSTEM, INC. AND THE CITY ENGINEER'S OFFICE TO UNDERTAKE THE REHABILITATION OF EXISTING NON-FUNCTIONAL FIRE HYDRANTS AND EFFECT THE INSTALLATION OF NEW FIRE HYDRANTS IN ALL STRATEGIC AREAS IN THE ONE HUNDRED FORTY-TWO (142) BARANGAYS IN QUEZON CITY.

Introduced by Councilors ALMARIO E. FRANCISCO, WILMA AMORANTO-SARINO, VINCENT P. CRISOLOGO, ELIZABETH A. DELARMENTE, GEORGE M. CANSECO, ROMMEL R. ABESAMIS, MA. FRESCA M. BIGLANG-AWA, GODOFREDO T. LIBAN II, MARCIANO P. MEDALLA, ERIC Z. MEDINA, EUFEMIO C. LAGUMBAY, JULIAN M.L. COSETENG, FERNANDO V. AVANZADO, ANTHONY C. CASTELO, NANETTE CASTELO DAZA, JESUS C. SUNTAY and BAYANI V. HIPOL.

WHEREAS, the city government recognizes and appreciates the efforts of the Maynilad Water System, Inc. (MWSI) in putting into high gear the installation of water supply system in Quezon City, particularly the Patubig Para sa Mahirap program in the depressed areas;

WHEREAS, in a few weeks time, we will be observing the Fire Prevention Month, which, ironically is a period where the occurrence of fire is at its peak;

WHEREAS, believing in the old adage that an ounce of prevention is better than a pound of cure, hence, there is an imperative need for the City government and the MWSI to provide the necessary infrastructures to avert any disastrous conflagration that may cause loss of lives and properties;

WHEREAS, a number of big fires which destroyed large communities in the City could have been prevented, if only the existing fire hydrants in strategic areas were functional;

WHEREAS, in view of the concentration of several blighted/squatter areas in the city whose light-material built houses are usually prone to fire, the MWSI must include in their Patubig sa Mahirap program a provision for the restoration of existing non-functional fire hydrants and the installation of the same in vital areas in all the one hundred forty-two (142) barangays in Quezon City;

Handwritten signatures and initials at the bottom right of the page.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN SESSION ASSEMBLED, to urge, as it does hereby urge, the Maynilad Water System, Inc., and the City Engineer's Office to undertake the rehabilitation of existing non-functional fire hydrants and effect the installation of new fire hydrants in all strategic areas in the one hundred forty-two (142) barangays in Quezon City.

RESOLVED, FURTHER, that copy of this resolution be furnished the Maynilad Water System, Inc. (MWSI) and to all the 142 barangays of this City.

ADOPTED: February 6, 2001.

CONNIE S. ANGELES
Vice Mayor
Presiding Officer
