WHEREAS, consistent with the thrust of the National Government, the Local Government of Quezon City recognizes the importance and gives priority to public education, specifically public elementary and high schools, to boost the economic productivity of the city by way of ensuring high literacy rate among its constituency;

WHEREAS, there is no existing public high school in Barangay Bagbag to cater to the 67,622 students of the 18 public elementary schools in District 5;

WHEREAS, data from the Department of Education (DepEd) Division of Quezon City Schools show that there is still a shortage of 352 classrooms to accommodate existing enrollment in all public schools in District 5 to achieve the desired one shift per classroom goal of the DepEd;

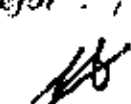

WHEREAS, the recent enactment of Republic Act No. 10533, otherwise known as the "Enhanced Basic Education Act of 2013", brought about several adjustments to be implemented by the year 2016;

WHEREAS, data from the DepEd Division of Quezon City Schools project a drastic increase in enrollment in Senior High Schools in light of the full implementation of K+12 in the year 2016;

WHEREAS, the expected enrollees in Grade 8 alone in the Fifth Legislative District of Quezon City by the year 2016 is pegged at 8,624, thus making the number of existing public high schools in the District insufficient;

WHEREAS, on 27 August 2014, the Honorable Alfredo D.
