*WHEREAS, the Land Transportation Office (LTO) is willing to grant the Quezon City government access to interconnection with the LTO IT Project's system and database and permits Quezon City to design, develop, implement, operate, and maintain such interconnection facility with the LTO;*

*WHEREAS, LTO permits the Quezon City government or its authorized agent to make query into the LTO IT Project's Motor Vehicle Registration System (MVRS), Driver's Licensing System (DLS), Law Enforcement and Traffic Adjudication System (LETAS) and /or corresponding database through Quezon City's own system and upload Quezon City's recorded outstanding or pending offenses or violations;*

*WHEREAS, the Quezon City government and the Land Transportation Office may further develop the system of interconnectivity that can include the enhancement or creation of a sub-system that will authorize the Quezon City government's authorized collecting agents or banks to upload data in the LTO IT Project's Law Enforcement and Traffic Adjudication System (LETAS) database to lift alarms in the Motor Vehicle Registration System (MVRS) or Driver's Licensing System (DLS) and another sub-system for online or web-based payment of fees deemed feasible;*

*WHEREAS, the entire LTO IT Project's System continues to belong and remain the property of its systems provider and all systems and information technology facilities constructed or to be constructed by the Quezon City system's provider, including the Interconnectivity System or the System belongs to, and remains as a property of Quezon City;*

*WHEREAS, the link of Quezon City government to LTO's system will strengthen the City's enforcement of traffic laws as the erring drivers would be prevented to renew their driver's license without settling their obligations to the City;*

*WHEREAS, the proposed Memorandum of Agreement (MOA) shall form an integral part of this resolution.*
