WHEREAS, a wastewater treatment facility is a physical plant where various physical, biological or chemical processes are used to change the properties of the wastewater in order to turn it into a type of water that can be safely discharged into the environment or that is usable for a certain reuse purpose;

WHEREAS, wastewater treatment facilities are crucial for maintaining public sanitation and a healthy environment, and must be able to operate in the event of a natural or man-made disaster, as well as a utility power outage.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED, to urge, as it does hereby urge, the City Mayor, Honorable Herbert M. Bautista, to commission a study for the possibility of the construction and operation of a city-owned waste water treatment facility that will benefit our constituents.

ADOPTED: August 3, 2015.
