WHEREAS, the Quezon City Government in spite of its sincere efforts to eradicate or stop COVID-19 from contaminating more people in the city, doubts and confusion are created in the minds of the residents whether to avail of the free vaccine or to be vaccinated because of several unfounded, unsupported and baseless information received from different sources;

WHEREAS, the 142 Punong Barangays in Quezon City could contribute greatly to the Quezon City Government if we asked for their assistance by conducting massive information dissemination as to the importance of COVID-19 vaccine, thereby giving the people of Quezon City more ideas, erase doubts and confusion and create willingness to avail of the free COVID-19 vaccine.
